All of us at The Hat & Feathers Bar and Restaurant are delighted to welcome you to Clerkenwell's finest new dining destination. It is our aim to make the Hat & Feathers your own special place where you can simply relax with a drink of your choice or indulge yourself—and those lucky enough to accompany you—with an exquisite fine dining experience in our upstairs restaurant.

Painstakingly resurrected, this venerable Victorian pub, glittering with etched glass and gas lighting has been sensitively designed to offer light, open spaces and intimate, cosy corners.

Our hand-picked team of top-level chefs, managers, waiting and bar staff aim to make your visit to the Hat & Feathers the first of many.

Dining

Our menu of exceptional modern European dishes has been created by our head chef to offer an exciting dining experience with surprising, yet delicious combinations of flavours. Each dish is partnered with a carefully selected wine from our extensive, international wine list.

The Bar

The Hat & Feathers bar serves a wide range of wines, beers, spirits and cocktails. Our champagne bar, adjacent to the main bar offers a broad selection of champagnes and sparkling wines, all specially chosen by our sommelier.

Bar Meals

For a quick, informal bite during lunch or after work, we have a bar menu of popular favourites - all given that special Hat & Feathers twist by our chefs.

Breakfast Meetings

The breakfast meeting is becoming ever more popular with busy executives who like to get meetings out of the way before the real work of the day commences. Give us a call to book a table.

Functions

We accept bookings for a wide range of functions and special events, from weddings to conferences. Please contact us to discuss your unique requirements.
